

Intent

The intent of the Cadets Hall of Fame is to provide a venue to recognize and acknowledge publicly members of **The Cadets** family for going above and beyond with their time and service to the corps. Induction into The Cadets Hall of Fame is the highest form of recognition that we can give and is limited to alumni, staff, administration, and volunteers. The Cadets Hall of Fame will recognize and honor these individuals who have contributed to The Cadets in a monumental way. Additionally, it will display to current members and the public the outstanding accomplishments of those who have been instrumental in creating the tradition of excellence of The Cadets.

Administration of The Cadets Hall of Fame

The Hall of Fame Elections shall be administered by the Cadets Hall of Fame Committee. The Cadets Hall of Fame Committee will be made up of select members of The Cadets Hall of Fame. The members of the committee were initially appointed by The Cadets Alumni Experience Committee. Future members will be selected by the existing members of the committee. Members of the committee serve one-year terms that automatically renew unless the committee member or chairperson decide to end their service on the committee. The Chairperson of the Hall of Fame Committee was also appointed by the Alumni Experience Committee and moving forward will be voted on by the Hall of Fame Committee to name a replacement chairperson should the current chairperson resign.

- Nominations that are not selected will not automatically be resubmitted the following year. They must be submitted again to ensure all qualified candidates are included in the next nomination cycle.
- If the same person is nominated by multiple people, the first letters that are submitted will be considered by the Committee. As the committee receives letters, we will list on the website who has been submitted so individuals can make sure they aren't nominating someone that has already been nominated.

Elections

Each committee member shall be provided with copies of the letter of nomination and two support letters for each candidate via email or a drop box/share file to be individually reviewed.

- The committee will then meet to discuss each, and every candidate and the letters received for their nomination. The committee will then prepare a list to be presented to all alumni asking for their input and comments.
- A maximum of 8 names will appear on the annual Hall of Fame ballot in the Legacy Category
- A maximum of 8 names will appear on the annual Hall of Fame ballot in the Contemporary Category

- The final list of candidates will then be published on The Cadets Hall of Fame website, along with their respective letters of nomination and support, asking for the alumni to provide their input and feedback on each candidate for a period of no longer than 2 weeks. Feedback from alumni should be shared via email to CadetsHOF@gmail.com.
- Committee members will further review the letters and accompanying comments as provided by the body of Cadets Alumni to be discussed at the next meeting. At that meeting, discussion will be held among the committee members in consideration of each candidate.
- Hall of Fame Committee members will then vote for who they feel should be inducted into The Cadets Hall of Fame.
